

**Applying for State Licensure
Through Reciprocity**
[Reference: Section 73-6-13(4)]

- Will be at the Board's option on an individual basis by a majority vote of the Board of Chiropractic Examiners.
- Must be an adult of good moral character.
- Must be a currently active, competent practitioner for at least eight years.
- Must hold an active chiropractic license in another state with no disciplinary action or unresolved complaint pending anywhere.
- Must have taken and passed the Physical Therapy Examination of the National Board of Chiropractic Examiners.
- Must have taken and passed the Special Purposes Examination for Chiropractic (SPEC). **Concerning the SPEC examination, there is an application page that must be signed by the Board allowing you to take this examination. The page can only be signed after the full Board has approved it in a regularly scheduled open Board meeting. For the Board to approve this page, all paperwork concerning the licensing process must be in the Executive Secretary's office twenty (20) days before that Board meeting. To begin this paperwork process, contact the Mississippi State Board of Chiropractic Examiners.
